## Junction Block

A key component of our most popular customised sets.

By bringing all the line cables to a central junction block they can be much shorter.

Only one longer earth cable is then required, reducing weight.

Drawing No 332003 (5-Way); 332001 (6-Way)

Product No FC-P101625-C (5-Way); FC-P101621-01 (6-Way)

- Made from polycarbonate plastic
- Relatively lightweight
- 5-way (70mm<sup>2</sup> cable) and 6-Way (35mm<sup>2</sup>/50mm<sup>2</sup>) options
- Transparent to enable easy inspection
- 100% recyclable
- Tested to IEC 16230
- Strong and durable to impact and chemicals
- Highly resistant to UV radiation
